CLERK: 26 ayes, 7 nays on the motion to raise the Call, Mr. President.

PRESIDENT: The Call is raised. We go back to the special order and we still have an hour left on it.

CLERK: Mr. President, LB 930 was a bill introduced by Senator Roland Luedtke at the request of the Governor. Title read. The bill was first read on February 10, 1978. It was referred directly to General File, Mr. President.

PRESIDENT: Senator Luedtke.

SPEAKER LUEDTKE: Mr. President, members of the Legislature, both of the first two bills on special order are merely routine bills that were placed on General File dealing with the appropriation of constitutional salary bills which, as I say, have been handled in this routine fashion in the years because the salary is in the Constitution. There is nothing we can do about it except vote down the appropriation, I suppose, so with very little discussion, I am just going to tell you the first one, 930, pays the salaries of the officers of state government from the judiciary through the Public Service Commission and the administrative departments only.

PRESIDENT: Is there any discussion? There are no amendments. The motion is to advance the bill. Record your vote. Have you all voted? Record.

CLERK: 30 ayes, 2 nays on the motion to advance, Mr. President.

PRESIDENT: The bill is advanced. LB 936.

CLERK: Mr. President, LB 936 was a bill introduced by Senator Luedtke at the request of the Governor. Title read. The bill was first read on February 10, 1978. It was referred directly to General File. Mr. President.

PRESIDENT: Senator Luedtke.
